Soul Fly Buddies met online using Zoom.

Jack could not make it but sent an email update before the meeting.

At the start of the meeting, we each shared some news from our lives!

Then, we got ready to meet the two (2) people who wanted to join SFB as our Western Sydney member.

We only have one (1) spot for the Western Sydney member.

The current SFB members agreed that a vote would be the best way to choose.

First, we met Bevan.

Bevan read out a small part of a story that he had written, to introduce himself.

Current SFB members then asked Bevan questions about himself.

	<p>Bevan said he likes filmmaking, watching movies, martial arts and socialising.</p>
	<p>He also likes music. His favourite bands are Eric Clapton, Pink Floyd, Jimi Hendrix, and Cream.</p>
	<p>He shared an idea he had for a Gig Buddies social event.</p> <p>He said we should go to the Beercade in Redfern to play arcade games!</p>
	<p>SFB asked Bevan why he wants to join SFB.</p>

## Soul Fly Buddies – Monthly Meeting Notes

Bevan said he wants to help by coming up with event ideas and that he wants to meet new people.

Next, we met Andrew.

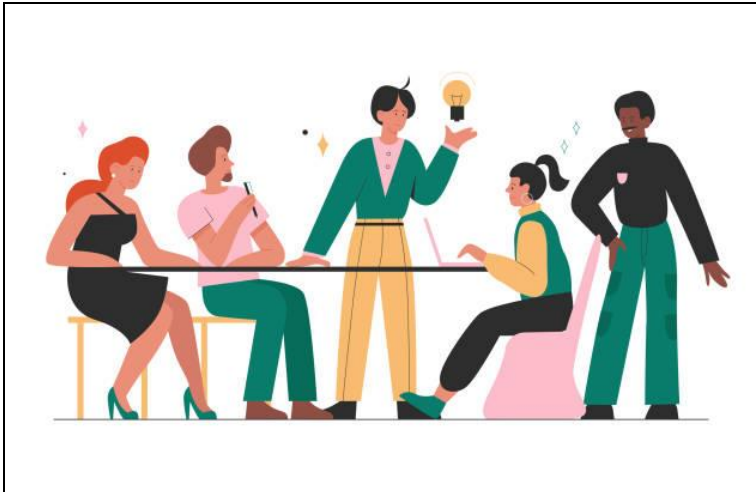

Andrew told us he works as a bus marshal.

He said he has been involved with Gig Buddies for around 5 years.

He said he found out about the SFB position through an email.

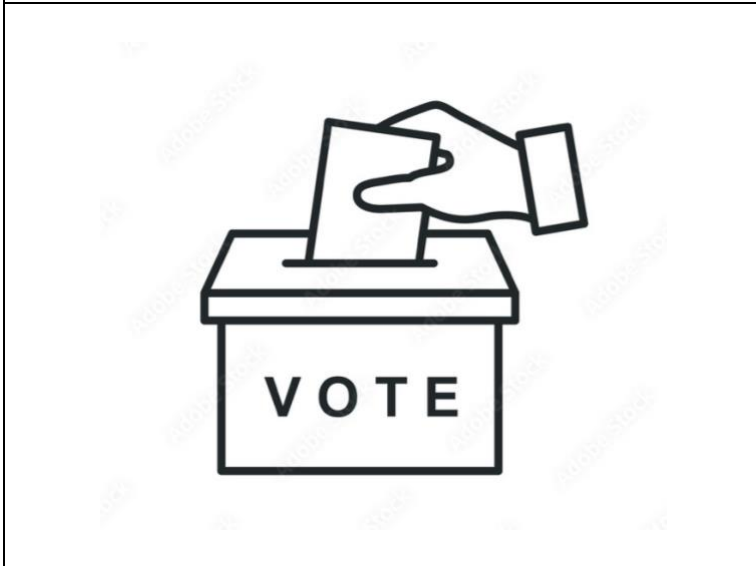

Andrew said his hobbies are football (rugby) and riding on trains and buses.

He said he wants to make friends and come up with good ideas for a social event.

After we met Bevan and Andrew, they both left the meeting.

The current SFB members then voted on who they thought would be the best addition.

## Soul Fly Buddies – Monthly Meeting Notes

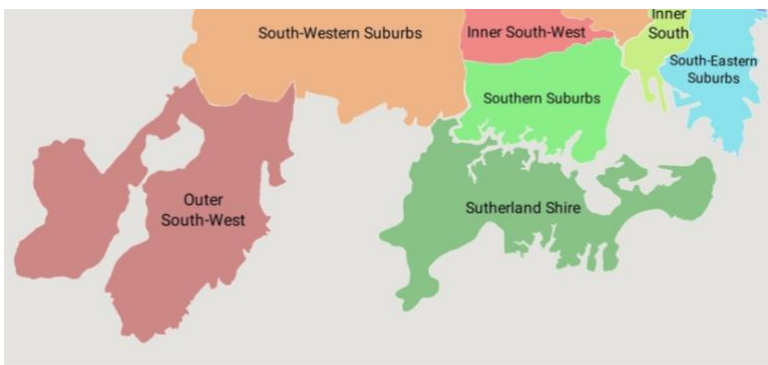

In the end, Bevan received 5 votes and Andrew received 3.

This means Bevan will be joining SFB!

Chelsea will let Bevan know and will invite him to the future SFB meetings.

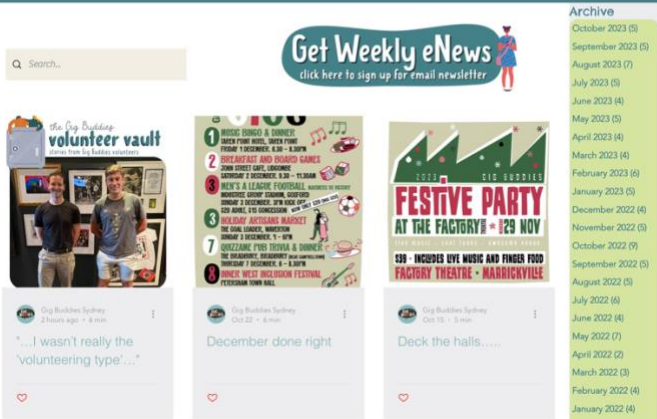

We are still looking for a female buddy who lives in the Southern Suburbs of Sydney to join SFB.

Finally, we talked about any other business.

Chelsea said yes, she could as that month is available.
